

Hampus Borg

🧑 Profil

Hello,

My name is Hampus Borg, and I am 27 years old. I am a social, cheerful, outgoing individual who can work both collaboratively in a team and independently. I approach work with precision and positivity, spreading positive energy wherever I go. In my free time, I enjoy strength training, playing the guitar, and watching football.

Currently, I am studying at Stockholm Technical Institute to become a Fullstack Developer specializing in Java and Javascript. I am actively seeking part-time/summer employment and a future internship opportunity for the fall of 2024.

Work Experience:

Teamleader, Booking Department, DB Schenker, Örebro *June 2022 — Present*

In my role as Teamleader, I handle practical tasks such as customer calls, bookings, customs procedures, and contribute to improvement initiatives while ensuring task assignments and agendas are maintained.

Booking Agent, TnT/Fedex, Örebro *June 2021 — June 2022*

Initially starting on the warehouse floor, I quickly moved to the office, dealing with export goods. Responsibilities included invoice management, customs clearance, and customer communication via email and phone.

Transponder Responsible, Örebro Trotting Track, Örebro *February 2016 — Present*

Ongoing part-time responsibility for transponders in horses' saddlecloths on the trotting track. Communication with the head office in Stockholm for battery level checks and functionality.

Road Worker/Flagman, Roadwork in Sweden, Örebro *January 2019 — October 2019*

Varied tasks and working hours, including flagging, guiding drivers, site supervision, and setting up/removing various types of signage.

Correctional Officer, Kumla Prison, Kumla *June 2020 — September 2020 (and June 2018 — August 2018)*

Contact and responsibility for inmates through conversations, monitoring, searching, and discussing their future. Maintained a positive attitude to fulfill the goal of rehabilitation.

Teacher's Assistant/Teacher/Recreation Staff, Lekebergs Municipality, Fjugesta *June 2015 — June 2016*
